To whom it may concern:

According to the California Department of Public Health's orders, we will be temporarily suspending the Gym Referral Program at Pit River Health Service. This is a precaution, as we are taking all necessary measures to prevent the spread of COVID-19.

Anyone who has an active gym referral paid for through the Diabetes Program and has continued to meet the program requirements, will be re-issued a referral when the social distancing orders have been lifted and it is no longer a risk for spread.

We understand and apologize for the inconvenience this causes.

If you have any questions please contact;

Melissa O'Neill, Diabetes Program Coordinator at 530-335-0349 or

Karen Toney, Outreach Manager at 530-335-3651
